

Salmon Cycle

2 miles (3.2km) to 4 ½ miles (7.2km)

Tyne Green Hexham - Bridge End

Cycle advice

- Give way to pedestrians, wheelchair users and horses, smile and say hi!
- Pass slow and wide, to a walking pace or stopping completely if necessary, especially when approaching or passing horse-riders.
- Ride at a speed you are comfortable with so you know you can stop easily in an emergency.
- Watch out for and anticipate others at junctions, bends, entrances onto the path, or any other 'blind spots'.
- Let other trail users know you're coming; a friendly 'Hello', or ringing your bell will let people know you are there.
- If there is a dividing line separating cyclists from pedestrians, try and keep to the appropriate side.
- Put your lights on when it's dull or dark so that people know you're there.
- Always follow the countryside code.

Set on the banks of the River Tyne and just 15 minutes walk from town centre, Tyne Green country park offers excellent cycling routes west along the river to Warden and beyond.

In mid-autumn you may be lucky enough to see salmon jumping upstream in the River Tyne. At all times, the views and wildlife on this route never fail to disappoint.
