Board and Bike's Annual Surf-O-rama

It's the inaugural event and we're hoping for good weather, decent swell and smiling faces (smiling faces in part guaranteed!). The format is loose and easy – given that we're surfers – turn up, hang-out, talk about and go surfing. Open house surf lessons all day – come and try with our instructors if you've never surfed then join our bbq before retiring to a local bar for surfing films. Beadnell Bay (provisional – check website). Low water 10.27, High Water 16.42.
